January 27, 2014

Dear Parents and Guardians,

I have planned a field trip for our students in Grades 1-4 to attend a music concert put on by the Calgary Philharmonic Orchestra on Wednesday, February 5 at 10:15am. We will be taking a school bus to the Epcor Centre for the Performing Arts downtown for this event. The cost of this trip will be covered using the field-trip activity fee that was paid along with the registration fee in the Fall.

Over the past two weeks, I have been using the concert curriculum guide and music from the Naxos music library to provide some background knowledge to the students during the music classes.

Here is some more info about the concert:

### **Concert Title: Puckster Goes to the Olympics**

The theme for this concert comes from a book by the same name by author Lorna Schultz Nicholson. This book is available from Chapters and our school library also owns a copy.

Puckster is starting another adventure! This lovable and famous hockey mascot travels to the Olympics where he meets people from around the world. Join this book star as he listens to diverse music from different continents and learns about many nationalities. And, who knows, he may just learn something about himself too! Classroom sets of Puckster Goes to the Olympics are available. Alberta Education Curriculum Links: Language Arts, Health and Life Skills, Music, Art.

I look forward to sharing this exciting and high quality music experience with your child. If you have any questions or comments about this event, please feel free to contact me via e-mail at [rmiranda@cwaa.net](mailto:rmiranda@cwaa.net).

Thanks,

Rachel Miranda  
Music Director
